ADVANCE GOLD CLOSES CONVERTIBLE DEBENTURE FINANCING

Kamloops, British Columbia: Advance Gold Corp. (TSXV: AAX) (“Advance Gold” or “the Company”) announces that it has received approval from the TSX Venture Exchange to close its convertible debenture financing (the “Convertible Debenture” or “Financing”), previously announced November 12, 2018, for total proceeds raised of \$100,000. The Convertible Debenture has a term of one year and is convertible into units (the “Units”) at a price of \$0.09 per Unit, each Unit consisting of one common share and one share purchase warrant each exercisable into a further common share at an exercise price of \$0.11 for a period of two years. Interest at the rate of 5% per annum will be payable in cash pursuant to the Convertible Debenture.

All securities to be issued under this financing will be subject to a four-month resale restriction.

The Financing was effected with 1 insider of the Company subscribing for a total of \$100,000, that portion of the Financing a “related party transaction” as such term is defined under Multilateral Instrument 61-101 – Protection of Minority Security Holders in Special Transactions (“MI 61-101”). The Company is relying on exemptions from the formal valuation and minority approval requirements set out in MI 61-101. The Company is exempt from the formal valuation requirement of MI 61-101 under sections 5.5(a) and (b) of MI 61-101 in respect of the transaction as the fair market value of the transaction, insofar as it involves the interested party, is not more than 25% of the Company’s market capitalization. Additionally, the Company is exempt from minority shareholder approval under sections 5.7(1)(a) and (b) of MI 61-101 as, in addition to the foregoing, (i) neither the fair market value of the Units nor the consideration received in respect thereof from interested party exceeds \$2,500,000, (ii) the Company has one or more independent directors who are not employees of the Company, and (iii) all of the independent directors have approved the transaction. Material change reports were not filed 21 days prior to the closing of the financing because insider participation had not been established at the time the financing was announced.

Advance Gold will use the net proceeds of this financing for general corporate purposes and to advance our Tabasquena silver project in Zacatecas, Mexico.

About Advance Gold Corp. (AAX.V)

Advance Gold is a TSX-V listed junior exploration company focused on acquiring and exploring mineral properties containing precious metals. The Company acquired a 100% interest in the Tabasquena Silver Mine in Zacatecas, Mexico in 2017, and the Venaditas project, also in Zacatecas state, in April, 2018.

The Tabasquena project is located near the Milagros silver mine near the city of Ojocaliente, Mexico. Benefits at Tabasquena include road access to the claims, power to the claims, a 100-metre underground shaft and underground workings, **plus it is a fully permitted mine.**

Venaditas is well located adjacent to Teck’s San Nicholas mine, a VMS deposit, and it is approximately 11km to the east of the Tabasquena project, along a paved road.

In addition, Advance Gold holds a 13.5% interest on strategic claims in the Liranda Corridor in Kenya, East Africa. The remaining 86.5% of the Kakamega project is held by Acacia Mining (63% owned by Barrick Gold).
